If you've been involved in an accident, here are a few simple things you should know which may help your claim:

- ✓ Take photographs; most people have smart phones with cameras which can be used to take a record of the vehicles and people involved (with their permission)
- ✓ Make a note of your losses and expenses and always keep hold of any relevant receipts

Don't worry if you've not done all of the above.

Simply Freephone Geoffrey Leaver on 0333 200 4334 and we can help you make your claim today.
